ACADEMIC EXPERIENCE

Universidad del País Vasco/Euskal Herriko Unibertsitatea, Vitoria-Gasteiz

Ikerbasque Research Fellow

July 2015 to present

- Department of Linguistics and Basque Studies.
- Theoretical and experimental research in formal semantics (gradability, modality) and the semantics-pragmatics interface (interaction of meaning types).

Consejo Superior de Investigaciones Científicas, Madrid

“Ramón y Cajal” Postdoctoral researcher

January 2011 to July 2015

- Instituto de Lengua, Literatura y Antropología, Centro de Ciencias Humanas y Sociales
- Research group: Lingüística y Ciencia Cognitiva (research leader: V. Demonte)
Research about meaning type interactions (both theoretically and experimentally), modification and scalarity.

University of Chicago, Chicago, IL

Postdoctoral researcher

October 2009 to December 2010

- Department of Linguistics
- Sponsor: Chris Kennedy
Research about the semantics of degree modification in Catalan.

Goethe Universität Frankfurt, Frankfurt am Main

Postdoctoral researcher

September 2007 to September 2009

- Graduiertenkolleg “Satzarten: Variation und Interpretation”
- Sponsor: Thomas Ede Zimmermann
Includes research, teaching, supervision of PhD students and administrative work (e.g. organization of weekly colloquium, website construction and update).

Universitat Pompeu Fabra, Barcelona

Postdoctoral researcher

January 2007 to August 2007

- Departament de Traducció i Ciències del Llenguatge
- Sponsor: Louise McNally

Includes research on the semantics and pragmatics of exclamative clauses and service within the grant “Semantic composition with enriched lexical representations”, Generalitat de Catalunya, IP: L. McNally. .

Universitat de Barcelona, Barcelona

Graduate Student

September 2002 to September 2006

- Departament de Lingüística General

Includes research and service (e.g. organization of conferences and workshops, construction of the website).

Undergraduate Researcher

January 2001 to June 2001

- Research assistant for Eva Monrós’s PhD project on the syntax of the ergative languages in Amazonia.
